

IAC Drawer Units

IAC drawer units attached under Workmaster or Dimension 4 workstations for easy storage underneath the worksurface. These drawer units are designed for strength, mobility, and ease of use, with seamless construction and premium materials.
Key Features:

- Constructed of heavy-gauge steel and equipped with full-extension, 100-lb. capacity metal ball bearing drawer slides
- May be mounted left or right and stacked for multiple drawer units
- Safety recessed handles
- Lock included. Multiple drawers can be keyed alike, upon request.
- Powder coat paint finish
- Compatible with Workmaster and Dimension 4 table frames only.
